Anish Karn

Software Engineer at PeakVoyage
Kathmandu, Bāgmatī, Nepal

Summary

Driven and adaptable Software Developer with a passion for crafting innovative solutions and delivering high-quality software products. Equipped with a solid foundation in Python, Django, FastAPI, React.js, Next.js, HTML, CSS, and JavaScript, I am committed to leveraging my technical expertise to contribute to dynamic development teams. My goal is to collaborate on impactful projects, where I can apply my problem-solving skills and dedication to excellence to drive meaningful results. Eager to embrace new challenges and opportunities for growth in a fast-paced and collaborative environment.
